[ASEULA Home](#)

Please validate all findings for ADS\_Keysight.pdf

[ETS Software Listing](#)

---

[Processed Software](#)

Software Name:

Keysight

---

Publisher Name:

Keysight Technologies, Inc.

---

Information Page:

[www.keysight.com/find/sweula](http://www.keysight.com/find/sweula)

---

Restriction List:

Requires Physical Device, No RDP use, Use geographically limited (Campus), Use geographically limited (radius), US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern, On-site use for on-site students only

---

Please validate all findings for Altair\_License\_Management\_System\_BIG.pdf

---

Software Name:

Altair

---

Publisher Name:

Altair Engineering, Inc.

---

Information Page:

urt.sh

---

Restriction List:

Instructional-use only, Requires Physical Device, US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern

Please validate all findings for Anaconda\_Individual\_Edition.docx

---

Software Name:

Anaconda

---

Publisher Name:

Unknown

---

Information Page:

<http://docs.anaconda.com/anaconda/pkg-docs>

---

Restriction List:

Instructional-use only, US use only, Block embargoed countries

Please validate all findings for Ansys19.docx

---

Software Name:

User

---

Publisher Name:

Unknown

---

Information Page:

Unknown

---

Restriction List:

Instructional-use only, Research-use only, Requires Physical Device, Use geographically limited (Campus), Use geographically limited (radius), US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern

Please validate all findings for Anylogic\_PLE.pdf

---

Software Name:

Publisher Name:  
Llc

---

Information Page:  
[www.anylogic.com](http://www.anylogic.com)

---

Restriction List:  
No RDP use, US use only, Block embargoed countries, Block use from Persons of Concern

Please validate all findings for Autodesk.pdf

---

Software Name:  
Autodesk

---

Publisher Name:  
Autodesk, Inc.

---

Information Page:  
<http://download.autodesk.com/us/fy>

---

**Restriction List:**

Instructional-use only, Research-use only, Requires Physical Device, No RDP use, Use geographically limited (Campus), US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern, Virtualization Allowed

Please validate all findings for Automation\_Studio.pdf

---

Software Name:

cece

---

Publisher Name:

Famic Technologies Inc.

---

Information Page:

[www.automationstudio.com](http://www.automationstudio.com)

---

**Restriction List:**

Instructional-use only, Requires Physical Device, US use only, Block embargoed countries, Block use from Persons of Concern, On-site use for on-site students only

Please validate all findings for Axure.txt

---

Software Name:

Services

Publisher Name:  
Amazon Web Services, Inc.

---

Information Page:

[www.axure.com](http://www.axure.com)

---

Restriction List:

Instructional-use only, Research-use only, Requires Physical Device, No RDP use, Use geographically limited (Campus), Use geographically limited (radius), US use only, Block embargoed countries, Block use from Persons of Concern

## Please validate all findings for Bluebeam\_Revu.docx

---

Software Name:

Bluebeam, Inc

---

Publisher Name:

Bluebeam, Inc.

---

Information Page:

<https://www.bluebeam.com>

---

Restriction List:

Instructional-use only, Requires Physical Device, Use geographically limited (Campus), US use only, Block embargoed countries, Block use from Persons of Concern, Virtualization Allowed

Please validate all findings for Cadence-tbl-v8.pdf

---

Software Name:

Cadence, ce

---

Publisher Name:

Cadence Design Systems, Inc.

---

Information Page:

[www.cadence.com](http://www.cadence.com)

---

Restriction List:

Instructional-use only, Requires Physical Device, Use geographically limited (Campus), US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern

Please validate all findings for COMSOL\_5.5.pdf

---

Software Name:

Compiled

---

Publisher Name:

Siemens Product Lifecycle Management Software Inc.

---

Information Page:

[www.comsol.com/trademarks](http://www.comsol.com/trademarks)

---

Restriction List:

Instructional-use only, Research-use only, Requires Physical Device, No RDP use, Use geographically limited (Campus), US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern, On-site use for on-site students only

Please validate all findings for diligent.pdf

---

Software Name:

Henley

---

Publisher Name:

Diligent, Inc.

---

Information Page:

Restriction List:

Instructional-use only, Requires Physical Device, US use only, Block use from Persons of Concern

Please validate all findings for Maplesoft\_EULA.pdf

---

Software Name:

Maplesoft

---

Publisher Name:

Waterloo Maple Inc.

---

Information Page:

<http://www.maplesoft.com/contact>

---

Restriction List:

Instructional-use only, Research-use only, Requires Physical Device, No RDP use, Use geographically limited (Campus), US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern, Virtualization Allowed

Please validate all findings for Quartus\_Prime.txt

Software Name:

License

---

Publisher Name:

Codesourcery Inc License

---

Information Page:

Unknown

---

Restriction List:

Instructional-use only, Requires Physical Device, No RDP use, Use geographically limited (Campus), US use only, VPN required off-site, Block embargoed countries, Block use from Persons of Concern

Please validate all findings for Rockwell-EULA.pdf

---

Software Name:

Rev

---

Publisher Name:

Rockwell Automation, Inc.

---

Information Page:

[activate.rockwellautomation.com](http://activate.rockwellautomation.com)

---

**Restriction List:**

Instructional-use only, Research-use only, Requires Physical Device, Use geographically limited (Campus), Use geographically limited (radius), US use only, Block embargoed countries, Block use from Persons of Concern
